COMMERCIAL BATHROOM RETROFIT PROGRAM

A \$20,000 rebate and we're not pulling your chain...

As part of the ACT Government's long-term water strategy, *Think water, act water*, the ACT Government is providing building owners and managers with a rebate **up to the value of \$20,000 per building** on a dollar for dollar basis to improve water efficiency in their buildings.

BENEFITS OF THE COMMERCIAL BATHROOM RETROFIT PROGRAM

- Financial assistance up to \$20,000 per building.
- Lower ongoing operating costs for water and energy.
- Reduced maintenance costs.
- Improved asset value.
- Increased leasing opportunities.
- Improved NABERS rating.
- Good corporate citizenship.
