www.rclbranch255.com

Comrades as you are aware the Branch is doing well. All the in Branch functions are all doing well. The kitchen has handled several large functions in the month of February and doing them well. The feedback is nice to hear.

Nine new members were also sworn in, in the month of February. Thanks to Cathy Brown membership chair who's been on a mission to get new members.

March 17th is St. Paddy's Day. A good day is planned with plenty of food, Irish Dancers and music by Olden Yonge. Come out and enjoy.

A new north east exit door has been installed. New heaters will be installed in all of the washrooms in the next few days. Repairs to an old building takes time and money. We are doing it slowly but surely.

Remember the next General Meeting on March 22nd is the nomination meeting. If you are going to nominate someone be sure that person wants to run for office.

Again Comrades thanks for your support and lets have March to be another good month.

Last Post

At the going down of the sun, and in the morning,
"We will remember them"

REMEMBERING *those who have left us.*

An IRISH Prayer

May God give you...For every storm, a rainbow,
For every tear, a smile, For every care, a promise,
And a blessing in each trial. For every problem life sends,
A faithful friend to share, For every sigh, a sweet song,
And an answer for each prayer.

"Our debt to the heroic men and valiant women in the service of our country
can never be repaid. They have earned our undying gratitude.
We will never forget their sacrifices."

ROYAL CANADIAN LEGION MASTERS SCHOLORSHIP IN VETERAN HEALTH RESEARCH

Canada provides our military with the best training and equipment in the world but we must also ensure that when these soldiers return home to the "new battlefield" of challenges due to physical and mental injuries or the social challenges of reintegrating into family and community life that they are provided with the same level of support. This support must be based on the best evidence possible resulting from research from the best and brightest Canada has to offer.

To this end, The Royal Canadian Legion is proud to award an annual entrance scholarship of \$30,000 (\$15,000/year for 2 years) to a Master's level student specializing in research related to Veterans and their families.

WINDSOR-ESSEX
CONSELING & ADVOCACY CENTRE

First Vice President Ken Dault and Poppy Chairman Ken Marshall present a cheque in the amount of \$6000.00 to Family Services of Windsor-Essex.

FSWE was honoured to accept this generous donation from RIVERSIDE ROYAL CANADIAN LEGION BRANCH 255 WINDSOR ONT CANADA to support the purchase of 2 neurofeedback machines to expand treatment options in our professional counselling program.

Neurofeedback intervention offers a safe, non-invasive, non-harmful treatment for individuals to use the power of their own brain to help counter negative effects of many conditions. Conditions where it was previously thought that little could be done. Different people respond to different forms of treatment, so by adding neurofeedback to our services we are able achieve greater success with clients overall, as well as help us to broaden our reach to a wider portion of the population, including veterans and their families.

Life IS BETTER when you're **LAUGHING!**

Irish Family Tradition

Paddy had long heard the stories of an amazing family tradition. It seems that his father, grandfather and great-grandfather had all been able to walk on water on their 18th birthday.

On that special day, they'd each walked across the lake to the pub on the far side for their first legal drink.

So when Paddy's 18th birthday came around, he and his pal Mick, took a boat out to the middle of the lake, Paddy, stepped out of the boatand nearly drowned! Mick just barely managed to pull him to safety.

Furious and confused, Paddy went to see his grandmother .. "Grandma," he asked, "Tis me 18th birthday, so why can't I walk across the lake like me father, his father and his father before him?"

Granny looked deeply into Paddy's, troubled blue eyes and said, "Because ye father, ye grandfather and ye great-grandfather were all born in December, when the lake is frozen, and ye were born in August, ya bloomin' idiot!"

A BIG THANK YOU TO OUR VOLUNTEERS

NEW

All the names of who give their time to volunteer at Branch 255 were placed in a hat and randomly selected by three members of the Legion and three (3) members at a time will be posted monthly in order as selected.
