

Exodus
Period
1491 B.C

During and after the 40 year dessert occupation the Israelites observed the **Sabbath** according to Genesis 1:14; Psalm 104:19 & Jeremiah 31:35

Before the 40 year dessert occupation, right after the exodus. The 10 commandments was given at Mt. Sinia, Including the **Sabbath law**.

From the 40 year dessert occupation till the fall of Jerusalem in 70 A.D, the **Sabbath** was observed by a **Lunar Hebraic calendar**.

1% silver crescent = **New moon**
The beginning of the Month

All three of these calendars are originated from the Roman Empire

Roman calendar

Based of lunar observance. This calendar was introduced by Romulus in 753 BC

Julius Ceasar
Born in the year of 102 BC

Julian Calendar

Introduced in 46 B.C by Julius Ceasar

Gregorian Calendar

This calendar was reformed from the Julian calendar, as it was Introduced by Pope Gregory XIII in 1582

Daniel 7:25
And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to **change times and laws**: and they shall be given into his hand until a time and times and the dividing of time.

Note: The word **Saturday** is named after a Roman god of agriculture. It has been called **dies saturni (Saturn's day)** The original latin name entered into old english as **saterdaeg** and gradually evolved in the word Saturday. This Saturday that many keep as 7th day sabbath is no where mentioned in the Holy Scriptures, but only found in Gregorian calendar that was instituted by the Roman empire.
