Understanding the New Credit Consumption Model

February 21, 2019
Credit Consumption Resources

• Business Analyst Credit Consumption Overview
• ArcGIS Online Credit Consumption Overview

• To find out how many credits you consumed last year, email support@stdb.com
Best Practices for Managing Credits within the Esri Products

• Don’t share your login
• Check sites before running reports
• Check the report examples if not certain of what the report contains
• Don’t run unnecessary reports
• Use Comparison Reports
• Learn to create Custom Reports
Find your credit balance
