MISSIONARIES TO BRAZIL

Second Generation Missionaries

Dear supporters and prayer partners, August 10, 2015. Monroe, GA, USA

Greetings in the matchless name of our Lord and Savior Jesus Christ.

Upon completion of a five year term on the field we have arrived in the United States for a furlough. Our plans are to return to Brazil the first week of May, 2016, Lord willing.

I am writing this letter from the mission house God has provided for us through the kind folks of Faith Baptist Church in Monroe, GA, and their Pastor, Chris Connor. We are so very grateful for their generous hospitality and blessed by the bonus fact that it is only half a mile from my parents home! We are also truly grateful to our Home Church, Victory Baptist of Loganville, and Pastor Derik for their generosity in overflowing our pantry with delicious "American" foods!

We are so excited to be back in the USA for a while and have been greatly blessed by opportunities to spend time with family and friends for the past few weeks.

It is a great blessing to us to report back to our supporting churches as well, and we look forward to sharing what God is doing in Joinville, Brazil, with those who will have us to do so in the coming months. Our furlough contact number is (404)710-3806, and our email continues the same: jamesallen@mwbm.org.

This August we celebrate twenty years of serving our Lord and Savior in the country of Brazil. We are eternally grateful to God for giving us the opportunity to live and work for Him on that needy mission field, and for all that He has accomplished in and through us. Through it all He has been faithful and true, and we look forward to what He has in store for us in the next twenty years and beyond.

Soraia and I are profoundly thankful to each one of you that continues to "strive together" with us in your prayers for us through the years, and even though we may be thousands of miles apart, we have felt in our hearts as if you have been with us as we faced each day and night. We are counting on your continued prayers for us.

Although we are happy to be on American soil, our hearts yearn to return to our field of calling to begin work on a new church plant in one of the 43 needy neighborhoods of Joinville and continue the goals the Lord has placed in our hearts. (You can read about it at www.thejoinvilleproject.com).
