

SPEAKING LIFE INTO OUR OWN LIVES

When we go through things in our lives, or we battle SINS in our lives, we allow it to become our focus. We allow it to block the direction, blessing, and promises that God has for us. I often relate it to a mountain. A mountain is very tall, we can't see over it or around it. The only way that you would be able to see what is on the other side would be to climb to the top and look over it. If we can begin to speak to the mountains in our lives, and command them to leave or (DIE), we would be able to see our direction, and our focus would be in view. We would then be able to speak Life into our lives, no matter what kind of issues it is.

Sometimes, we make it so much harder on ourselves. We choose to climb the mountain ourselves, instead of taking authority over the mountain, and telling it to be therefore cast into the sea, and to quit blocking our view, and therefore to DIE in our lives. The BIBLE tells us to take God's Yoke, because His Yoke is easy, and His Burdens are light! In other words, if we would turn our issues over to Him, allow Him to remove that mountain, issue, SIN that is blocking our view, then we would be able to continue on the path that God has for us.

As we walk with God, and try to look at ourselves in the mirror, God will allow us to recognize those issues, and God will teach us how to give him the mountains in our lives, so that our views will not be obstructed by anything, then we can speak Life and not Death into our lives.

Remember for us to be able to speak Life into anything in our lives, that issues must be dead. Also, remember that God can help you with bringing death to your issues!

Love You, First Lady Lisa Sutton
