### **Nita Curtis Scholarship Application Guidelines:**

- This is a merit scholarship **NOT** based on financial need.
- Academic transcripts are required.
- This scholarship is available to Montabella High School graduates who have the required college credits to be classified as a college junior or a senior.
- Applicants should have a cumulative grade point average of 3.00 or higher.
- Preference may be given to those who have **NOT** previously received a Nita Curtis Scholarship.
- Please note that the required essay counts for approximately half the rubric points.
- Students must be considered to be taking a full load of classes (12 credit hours). If the student reduces their credit hours to less than 12, they will **NOT** be eligible for the scholarship. Upon receiving the first semester scholarship, students must continue to take a full 12 credit hours or they will not be eligible for the second semester award.
- Second semester scholarship award will be issued after receipt of first semester transcript and/or report card, sent to the above address.
- Students may apply only once as a college junior and once as a college senior, for a total of two possible awards (4 semesters) per individual college career.
- Students will be given a copy of the scoring rubric (attached) to better direct their application to supply the needed information.
- Students may be called for a personal interview.
- Submitting false information will result in cancellation of the scholarship.
