SECOND SECTION OF TEST:

Faced with a situation, “WHAT would I DO?”

1. A friend whom I haven’t talked to in a long time calls and asks if he can come visit. I need to tell him how to get to my house. *what would I do?*

2. I am writing an essay in class and I’m unsure of the spelling of a word. *what would I do?*

3. I want to cook something special for a family member’s birthday. I don’t know what to fix? *what would I do?*

4. I want to purchase the latest IPOD. I’m not sure, other than price, which one I should get. *what would I do?*

5. I go to the doctor for an X-ray of my injured knee. The doctor walks in with the completed X-ray and asks how I want to learn of the results. *what do I do?*
