

Dear Amanda,

Even though I know you will be shocked that I am gone, I know you have your faith to carry you through. Please know that I am at peace with my decision. People may say some things about your Dad and I, but I can assure you they are not true. I just don't have the strength to stay and fight. My fighting days are long over.

Amanda, you have come so far as a person. I am very proud of the young woman you have become. You have a great deal to offer the world. Please be happy. Help your Dad, he will need you to get through this.

I will watch over you, you can be sure. I will hear you when you talk to me. I love you.

Love always,
