GOD HAS A PLAN

All things work together for those who love God and are called according to His purpose...

So says the apostle Paul in his letter to the Romans (see Rom 8:28) and today we see that this is proven to be true. It's like the old saying "God works in mysterious ways." Sometimes things get bad before turning to good.

But for those who love the Lord, you WILL turn out highly blessed in the end. Do you have the patience to wait on God? Can you endure the trials that lead to eternal life?" And what does the Bible say about "Trust?" Well read on friend...

"Trust in the Lord with all your heart... and He will direct your path"
(see Prov 3:5-6).

This means that when you let God take control, life's hard times and set-backs happen for a reason. And you don't need to know the reason. Just keep on loving God and things WILL work out right.

Is this easy to do? No, it isn't. But stay calm and stay in prayer. Live by faith in God. He created you and the rest of the universe; He can turn your bad times into good. Just walk in faith and love and know that God has a good plan for you.

And remember: Always give God the glory. Hallelujah !!
