

PARTY @ the Next Level, LLC

Party Contract

The following rules detail safe operational guidelines for the inflatable equipment you will be using at PARTY @ The Next Level. You are encouraged to direct any questions you may have about the operation/use of the inflatables to your representative from PARTY @ The Next Level before you begin use of the equipment.

Supervision: The safety of the children depends on you. Your personal supervision is absolutely required at all times. As the lessee of these inflatable units, the safety of all participants is your responsibility. As the adult supervisor, you should position yourself or another adult in close proximity of the entrance to the inflatables and be prepared to assist when children enter/exit the inflatable.

Safe Bouncing: Only individuals of similar size should play on the inflatables at the same time. Please be aware of older/larger children or adults playing/jumping/sliding with smaller individuals as injuries could occur.

Shoes/Glasses/Loose Jewelry/Hair Clips/Belt Buckles/ Any Sharp Object: Everyone MUST REMOVE these items before playing in/on the inflatables.

Pre-existing Health Conditions: Pregnant women, individuals with pre-existing injuries, and others susceptible to injury from falls, bumps or bouncing are not permitted in or on the inflatable units at any time.

Improper Use: Improper use of the inflatables includes, but is not limited to, flipping in the air, wrestling, and piling on each other. Such activity may result in neck and back injuries.

Slide Rules: Do not allow individuals to climb up the slides. All users should exit proper locations and go around to re-enter inflatable to slide again. Do not jump over or climb up middle wall on slide.

Deflation: Should the unit begin to deflate, have everyone exit the unit immediately. Notify Party @ the Next Level representative.

General Misuse: Do not allow anyone to play or climb on walls or netting, or climb on inflatables that are not "jumpers." Do not go behind inflatables. Never adjust or move fans. Do not use while partially inflated.

Negligence or Abuse: Do not use or allow the use of Silly String in or around the building. No food or drink should taken out of the party area. No gum should be allowed during the party.

The following fees may be assessed for negligence or abuse of inflatables.

1. Spilled food, drink, gum or the use of Silly String could result in a \$100-\$500 Cleaning Fee.
2. If damage occurs due to negligence or failure to follow our safety rules you will be responsible for all damages upto and including replacement of the unit/blower etc. which can cost thousands of dollars.

I hereby acknowledge, as witnessed by my signature, that I agree to the above referenced safety rules cited in this agreement. I further acknowledge by my signature that I understand each of these rules and agree to abide by them completely.
