The South Interlake 55 Plus Book Club is looking for some new members

We meet the **first Tuesday** of each month, at 9:30AM for approximately 1 hour. All you need to join is a love of reading, and be willing to enjoy meeting our book club members and participate in the discussion each month after we have read our last book.

Our books are supplied by the South Interlake Library right here in Stonewall, so there is no cost involved - you just need to be a member of the SI 55 Plus (\$20 yearly membership).

We have been invited to attend the SI Library
Wednesday, November 9th, 2 - 3:30 pm to meet
Author, Karen Emilson.
All are welcome to attend!

Karen Emilson has been writing professionally for nearly thirty years. She is the author of the creative non-fiction bestsellers, *Where Children Run* and *When Memories Remain*. She can't sing, dance, draw or play an instrument but lives in awe of those who do. She loves photography and writing about everyday people. *Be Still the Water* is her first novel.
