

# “Showtime” ...

*Featuring ...*

## *Hidden Figures*

Everyone knows the story of the first man on the moon, but do you know who got him there? *Hidden Figures* tells the inspiring story of the women who worked behind the scenes at NASA as mathematicians, engineers, and “computers”, and helped bring humanity to the moon. They overcame racism, sexism, and problems that humanity had never solved, and have made their mark on history forever.

**Tuesday, July 25**  
**@ 1 pm**

55 Plus, 374 First St. West,  
Stonewall

# ***EVERYONE WELCOME!***
