November 2017 – A Man of his Own – Fiction – Rick Stanton was a promising professional baseball player with dreams of playing in the major leagues and starting a family with his wong wife and when WW II changes everything. He returns from the war with his body broken and his dreams shattered, but it was not just body and spirit he sacrificed for the war. He and his wife volunteered their beloved dog, Pax, for the Army's K-9 Corp, not knowing if they'd ever see him again.

December 2017 – The Trespasser by Tana French- Fiction - In bestselling Tana French's newest "tour de force" (The New York Times), being on the murder squad is nothing like Detective Antoinette Conway dreamed it would be. Her partner, Stephen Moran, is the only person who seems glad she's there. The rest of her working life is a stream of thankless cases, vicious pranks and harassment. Antoinette is savagely tough but she's getting close to the breaking point. Antoinette knows the harassment has turned her paranoid, but she can't tell just how far gone she is. Is this case another step in the campaign to force her off the squad or are there darker currents flowing beneath its' polished surface?
