

PUMPKIN CARVING DEMONSTRATION

**Join us at the 55 Plus for an afternoon demonstration
of Pumpkin Carving by Peter Symchuk.**

*Peter, a resident of Stonewall,
has been carving for 20 years and has
developed his own style. He holds workshops and
does demonstrations at schools in Winnipeg.*

*Pumpkin Carving is a new medium for Peter and he uses the same tools
he uses for wood. His work is created from his present mindset and he feels this
always makes for his best carving style.*
