

Cross Country Athletes and Parents

We will again be working the **Jeffco Elementary School Track Meet**. We have done this for 17 years and the district PE teachers could not host this meet without us. We need at least 25 people to work this meet.

This is a chance for us to help provide a fantastic opportunity for our districts elementary school kids. In addition to providing worthy and dedicated support for these elementary school kids, this is also an opportunity for you to fulfill some of the community service hours you might need for NHS, Senate or other organizations you belong to.

If you volunteer to do this, you will be missing classes on Wednesday, October 2nd (9:00 to 1:30); therefore, you can only work at this meet if you are passing all of your classes with a C or better and if your parents give you their permission.

Parents: please let us know if you give your athlete permission to work this meet. Helping us at this meet is not a requirement; however, we are a vital part of enabling the district elementary school's PE teachers with the staff to conduct their annual track meet.

If you give your son or daughter permission to work this meet, we ask you to take them directly to the Jeffco stadium (6th and Kipling) on Wednesday October 2nd. If that is not possible, we can arrange to take a few of them to the stadium from the high school. **They will need a sack lunch, water and warm clothing.**
