

## Lambeth Dodson

No Picture Available

Born: 1689 Richmond, VA

Married: Sarah Harris

Died: 1780 Richmond, VA

Parents: Charles Dodson & Anne Elmore

Lambeth Dodson was born in the late 1600's in Richmond County, VA. The births of three of his children are recorded in the North Farnham Parish Register between 1724 and 1734. Thus it is assumed his marriage took place during the early 1720's. His wife was named Sarah (some say Sarah Harris daughter of Philip Harris and that she may have died on 21 Feb 1736 as the Parish records show such a death for a Sarah but it is not confirmed that this referred to Lambeth's wife)

Lambeth received by will from his father. Charles Dodson his father's "new dwelling plantation with 100 acres of land belonging to it. Lambeth evidently sold this land to his brother Thomas before 1739. A deed of conveyance has not been found but on 17 Feb 1739 Thomas Dodson bequeathed to his son Greenham Dodson the whole tract of land "I bought from Lambarth Dodson"

It appears evident that Lambeth left Richmond County before 1739. His whereabouts are unknown for several years. The old Halifax County, VA plat book 1 page 20 records a plat for 190 acres on Falling Breek for Lambeth Dodson 11 Nov 1747. In the same bk page 39, is a plat for 400 acres on Sandy Creek dated 17 Feb 1755. Falling Creek may have been meant for Fall Creek and both of these locations are prob in present Henry and Patrick Counties.

Lambeth's name appears on a poll tax list in Halifax County in 1753 taxed for 1 poll over 21 yrs.

On 22 June 1765, according to the Pittsylvania Co patent book, Lambeth patented 400 acres on the main fork of Mayo River which he transferred to George Gibson on 19 Sept 1766. Since Lambeth is involved with affairs of the Gibson family, it is a possibility that his daughter married a Gibson.

Nothing has been found to indicate when or where Lambeth died, who his probable sec wife was, or to prove who his additional children might have been.

The 1st three children are recorded in the North Farnham Parish register ...the others, whose family records suggest a connection to Lambeth.

Lambeth's children are: Mary Dodson b. 3 Apr 1724, Isaac Dodson, Ann Nancy Dodson b 20 Jul 1734, **\*John Dodson**, Charles Dodson, Lambeth JR Dodson, and Daniel Dodson.
