Copy of original marriage record for John Jacob Platz and Christina Rentz

The image shows a handwritten document in German, likely a church register entry. The text is written in a cursive script and is somewhat difficult to read due to the handwriting and the quality of the scan. The text appears to be a record of a marriage performed on October 7, 1732, in Emmingen. The names mentioned are Johann Jacob Platz, Bauerknecht, and Christina Renzen, B. u. Fischers. The text also mentions the parents of the bride and groom, and the location of the marriage.
