

Jeffrey Hanford

No Picture Available

Born: 1564 Devonshire, England

Married: 31 Mar 1611 to Eglin Hatherly

Died: 12 May 1626 Devonshire England

Parents: Unknown

Jeffery Hanford was born in Fremington, Devonshire, England, in 1583, and died in Alverdiscott Parish, Fremington, Devonshire, England, on May 12, 1626. **Eglin Hatherly** was born in England in 1587-1588. They were married in Fremington on Sunday, March 31, 1611. She took the name Eglin Hanford. She is the daughter of Robert and Elinor (Tanner) Hatherly. They had five children:

i. Susannah Hanford was born in England in 1615, and died after 1682. She married John Whiston in about 1635 then William Brooks in about 1640, both in Scituate. *ii.* Lettice Hanford was born in Alverdiscott, county Devon, England, and died in Plymouth Colony, Massachusetts, on February 22, 1690/91. She married Edward Foster on April 8, 1635; performed by Miles Standish. His name also appears as Edward Faunce. She married Edward Jenkins after 1644. *iii.* Margaret Hanford was born in England in 1619, and died in Barnstable, Massachusetts, on June 13, 1649. She married Isaac Robinson in 1636. She had a daughter who was born and died on June 6, 1649; her death was probably related to this. Isaac married a second time in 1650 to Mary Faunce, Margaret's brother-in-law's sister. *iv.* Elizabeth Hanford was born in England in 1621, and died in Massachusetts in 1708. *v.* *Thomas Hanford* [#1298]: He was born in Alverdiscott Parish on July 22, 1621, and died in Norwalk, Connecticut, in 1693.

Alverdiscott is a parish in Fremington Hundred, the Archdeaconry of Barnstaple and Diocese of Exeter, 6 miles southwest of Barnstaple, Devonshire, England.
