👉👉 They called me the "Seagull" because I was born on a ship in the Atlantic after my parents, Thomas and Martha Green, left England for America. My two sisters, who were also on the voyage, married in Virginia—one a man named Eaton and the other, one named Blocksom.

I married Martha Filmer, the daughter of Maj. Henry Filmer, a British military officer, and his wife Elizabeth. We were the parents of 5 sons and 3 daughters, most of whom settled in Southside Virginia. 🗨️

Henry Filmer was a member of the House of Burgesses from James City County (1642-43, 1666-67). ^{Ref}
