In 1777, William York enlisted in Major Wynn Dixon's Company of First North Carolina Regiment, and on October 14, 1783, received 162 pounds, 15 shillings and 533 acres of land for having served six years. On August 16, 1796 he signed an affidavit appointing Daniel Wheaton, attorney, to represent him in obtaining title to land due him for serving as a "soldier in the service of the United States of America on Continental establishment..... during the war with Great Britain." A William York also received 170 acres of land from James Crabtree of Randolph County, North Carolina. This transaction is dated 1796 but may have taken place years earlier.

He married Margaret (Peggy) CRABTREE, daughter of William CRABTREE & Mary SPEARMAN, Before 1790 in Washington Co., TN?. Born 20 Jul 1776 in Orange County, North Carolina.

Before William's wife died in Tennessee she bore him five children: Thomas, Elizabeth, Josiah, Delilah and Allen. William and his son Thomas were probably named William Thomas as this combination occurs repeatedly in family record.
