

530 Castlefield Avenue

This gorgeous home on one of the best blocks of Castefield Ave. was designed by the architect Richard Wengle featuring his famous high ceilings and wonderful attention to high quality and detail. The first floor has exquisite principal rooms with wonderful flow, a fireplace in the living room, hardwood and marble throughout. The eat-in kitchen has some of the best appliances available with a deck overlooking a beautiful garden. The second floor has skylights bathing it in light, a spacious master suite with coffered ceiling, a walk-in closet and a 4 piece marble ensuite. Two other bedrooms and another large bath complete the floor. The lower level has a walkout to the garden, a large recreation room with fireplace, another bedroom and a four piece bath. Ample storage completes this level. There is two car parking in front (one with permit)
