

# Children's Country Club too!

## April 2016

Believe it or not spring is here! Warmer weather is coming and that means more outside activities.

Please dress your children in play clothes and old shoes.

### April Calendar

April 1 <sup>st</sup>	Book Orders Due
April 11 <sup>th</sup> - 15 <sup>th</sup>	Dinosaur Week
April 15 <sup>th</sup>	Trike-A-Thon
April 29 <sup>th</sup>	Super Hero Day - Wear your favorite Super Costume

### April Units

Spring is here! The children will be busy planting seeds and watching plants grow, as well as other spring activities. In science they will be doing experiments with air. Language Arts will introduce the letters **Kk, Qq, and Jj** to the children with Kites, Queens, and Jell-O. Numbers class will introduce the **number 8**. In Science, we will explore the **signs of spring!!!** In Art, we will be reviewing **the colors and shapes**. In Motor Development, we will be following the leader into spring. Shots at the basket, outside play, and the chicken dance are sure to keep us busy. The country we will be talking about this month is Holland. If your child has any items relating to Holland, please bring them to school.

Kindergarten will begin the basic concept of telling time. The kindergarten class is learning the letters **Kk, Qq, and Jj**.

For your child's and your safety, we at CCC too! would like to extend an important reminder to all parents. Please do not let your child run up front to our foyer unassisted. **Also, please do not allow your child to run out into the parking lot or up to the front of the building unattended.**

The buses take **first** priority in our parking lot. Please be patient, they usually load in less than 5 minutes. It is the **law** that you cannot pass a stopped school bus; this is for everyone's safety.

### Events to Come

We wanted to get the following dates out so we might avoid vacation conflicts.

- June 8<sup>th</sup> - Graduation Rehearsal during school for children entering Kindergarten
- June 8<sup>th</sup> - Graduation Night at Hilda Walker School at 7:00 pm.
- June 9<sup>th</sup> and 10<sup>th</sup> - Class Picnics
- June 13<sup>th</sup> - Summer Camp Begins

Our Summer Camp Program starts June 13<sup>th</sup>. If you already attend our pre-school/daycare programs, there is no registration fee. We are very flexible during the summer program. If we are notified two weeks prior that your child will not be attending for vacation, we do not charge for that week. If you wish to have your child continue school throughout the summer, please submit the days your child(ren) will be attending. We need to know if your child is attending.
