

## February Newsletter 2017 Children's Country Club too!

February is here and this is the month we really focus on friendship, caring, giving, and respect for one another. February is Dental Month – we will be discussing dental hygiene all month. Each teacher will pick her own days to discuss this topic.

**(Your child can switch a day if you want him/her to attend any of following events.)**

(After that date, the registration fee will be \$65.00, the non-discounted price.) Everyone must register for the 2016-2017 school year to hold your child's spot. **FLU SEASON IS UPON US! IF YOUR CHILD SHOWS ANY SYMPTOMS OF THE FLU OR TELLS YOU HE/SHE IS NOT FEELING WELL, PLEASE KEEP YOUR CHILD HOME. ALSO PLEASE MAKE SURE YOUR CHILD WASHES THEIR HANDS WHEN ENTERING OUR SCHOOL. THESE ARE THE BEST MEASURES TO HELP PREVENT SPREADING THE FLU IN SCHOOL. IF YOUR CHILD IS SENT HOME SICK, PLEASE MAKE SURE THEY ARE ILLNESS FREE, NOT JUST FEVER FREE BEFORE RETURNING TO SCHOOL. THANK YOU!**

**Valentine Parties:** Our Valentine parties will be on **February 13<sup>th</sup>** and **February 14<sup>th</sup>**. You will need to send cards and a small party favor or treat for your child to pass out to his/her friends. The party favor can be a ring, sucker, a mini candy bar, raisins, or any other small treat. The cards need to be signed **From:** only. For example, the card should say: To my friend, From Katie. Anyone wishing to send a **special snack** for snack time, please let your child's teacher know. We only need one snack per class (example: cupcakes, cookies, or a healthy snack enough for 20). **Please send only store bought snacks. (NO PEANUT PRODUCTS for the safety of the several children who have epi-pens at school.** Your child's teacher will send a special note about how many cards are needed in each class.

The school will provide opportunities to explore the letters **R, N, and M**. The colors this month are **Pink and Purple**, the shapes are **Heart and Oval**, and the number is **6**. "Exercise for your heart," will be the theme in motor development. Motor development will include golfing games, boats, exercise, and sign language. To ward off "cabin fever" we will be taking outside walks weather permitting.

We will visit France this month. You can bring in any items relating to France to share with the class. We will continue to talk about snow and ice, as well as glaciers and icebergs.

We will also Learn Every Day about the Past, Celebrations, Our Green Earth and Science

Thank you for all the nice letters of recommendation! You can also review us on YELP. We now have a suggestion box up front in the foyer area.

**REMINDER:** Please only let your child bring something from home only on his/her show and tell days or if it pertains to our country of the month. Thank you.
