Casinos are getting very stingy with their bus programs. Riverspirit will no longer pay Sharon commission unless she does an overnight there. Please let Sharon know if you would be willing to pay an extra \$10 to go on a day trip there, otherwise we will only do overnight trips there. You must play with your players card when you are on a bus trip. Some of our trips have been in the negative category and we might lose all our incentives to certain casinos. Please also remember to always bring your identification.
