

THE ELEPHANT IN AMERICA

(The issue no one is addressing)

By: Fountain Hendricks

(Leviticus 18:22)

The Elephant in America is the homosexual agenda that is rapidly growing. This agenda is flourishing **WITHOUT** opposition. This agenda is taking over the school system, legal system, media & political system. It is the one issue that the Christian church remains silent about but it is the **ONLY DEMONIC** issue that is controlling **EVERY** important part of our existence.

When you turn on the television and watch a sitcom, you are **FORCED** to watch a homosexual relationship or a homosexual character that strengthens their agenda.

When you see a candidate run for political office, he or she will implement the **LGBT** community's agenda so that the homosexual plan can flourish.

When you view the current school curriculum for children, you will see how the **LGBT** community is trying to teach our children that this behavior is normal. This is so their agenda can be strengthened to fulfill itself within the next generation. More laws are being passed in our legislative government in favor of the **LGBT** community. It has become **IMPOSSIBLE** to overlook the Elephant in America which is the homosexual agenda.

WHY IS THIS AGENDA DEMONIC?

Leviticus 18:22

Homosexuality is an **ABOMINATION** to God. He is disgusted by the act and the lifestyle. The word "abomination" in the Hebrew is defined as **IDOLATRY**. Idolatry is an idol that is worshipped, revered, praised and honored **ABOVE** God. **AN IDOL IS ANYTHING THAT TAKES THE PLACE OF GOD**. Do you realize that America is raising up an idol that is replacing God?

America is **ALLOWING** the homosexual agenda to dictate our moral values. Instead of America standing on the Bible, she has decided to lean on the proposals of the homosexual agenda. America was founded on Christian values but now an **IDOL** is shifting the foundation of America toward standing on immoral values. The idol of immortality is **REPLACING** the principals of God in America. Anything that is placed **BEFORE** God is demonic.

DO NOT FOLLOW THE CROWD!

The Christian church is **NOT** addressing the Elephant in America. They are talking about every other issue except the biggest issue that we are facing. Why is the Christian church silent on this issue? Why is the Christian church not fighting this agenda? Why is the Christian church going along with this agenda? The answer is very simple. It is because they **CANNOT STOP IT.**

I know that this is not the answer you want to hear but it is the truth. The Bible never said that the world will get better. The Bible has prophesied that the world would get worse. 2nd Timothy 3:1-5 gives us a vivid description of what will happen in the last days.

The scripture says *"This know also, that in the last days **PERILOUS** times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, **WITHOUT NATURAL AFFECTION**, truce breakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high-minded, **LOVERS OF PLEASURES MORE THAN LOVERS OF GOD**; Having a form of godliness, but denying the power thereof: from such turn away."*

Horrible things will happen as time progresses and unfortunately no one can stop it because Prophecy must fulfill itself. Just because you cannot stop the homosexual agenda, does not mean you should remain silent about it like the Christian church. Your voice will **NOT** change their growth but it will enlighten other people to the truth. I am

encouraging you **NOT** to follow the crowd in silence in regards to the Elephant in America.

Tell other people how this homosexual agenda is demonic. Teach your children that this is not normal. Never submit to the ideas and values that they are trying to push down your throat. The goal is not to stop the homosexual agenda. The goal is to **STOP OTHER PEOPLE FROM FOLLOWING AND SUBMITTING TO THEIR AGENDA**. No man can change the events that the Bible has prophesied.

Your efforts, tactics and strategy must be formulated in a way that will complement the scripture and not fight against it. The Bible says these things will happen but Jesus told us to preach the Gospel to the nations. You cannot change the world but you can change the people who live **IN** the world! Please share this message so that people can be enlightened by Wisdom and not be deceived by ignorance.
