

# THE DIFFERENCE BETWEEN THE LAWS OF GOD AND THE LIFE OF GOD?

By: Fountain Hendricks

( Psalm 112:1-3) (Matthew 16: 24-26)

The laws of God and the life of God are two things every Kingdom citizen should study. You need to understand what creates your prosperity. You need to know who decides your eternal destination. The **LAWS OF GOD** create your **PROSPERITY**. **THE LIFE OF GOD** decides your **ETERNAL DESTINATION**.

Since people do not understand the difference between the laws of God and the life of God they live beneath their privileges. The laws of God are His principles. They can work for anyone. It is not required for you to be

religious to benefit from the laws of God. The only requirement is obedience to the laws itself.

## **THE LAWS OF GOD ARE PRINCIPLES THAT GOVERN THE EARTH. THEY CANNOT BE CHANGED!!**

The laws of God does not decide your eternal destination. They control your prosperity. Sinners who do not follow God prosper because they **HONOR** His principles. The laws of God are mentioned throughout the entire Bible. One example of this is mentioned in Isaiah 1:17. This principle provides the ability for anyone to succeed. Isaiah 1:17 says, "**LEARN TO DO WELL.**"

When a person refuses to learn they will **NOT** succeed. Money does not decide success. Affiliation does not decide success. Knowledge decides success! When an individual refuses to learn they prevent themselves from tasting the fruits of success.

Proverbs 10:4 says, "A lazy person will end up poor but a hard worker will become rich." **THIS IS A LAW!** Hard work will make you rich. If you work hard at what you do you will live in abundance. The laws of God decide your prosperity. People who decide to honor divine principles will receive abundant prosperity.

## THE LIFE OF GOD

Honoring the life of God propels you into heaven. Following the **CHARACTER** of Jesus honors His life. Exhibiting honor is demonstrated in what you do, not what you say. For instance. Treating people fairly **HONORS** the life of God. Walking in holiness **HONORS** the life of God. Being kind to others **HONORS** the life of God.

Exemplifying the values and morality of Jesus will propel you to heaven. Listening to the counsel of the Holy Spirit will propel you to heaven. Entering the Kingdom of God and mirroring its culture will propel you to heaven. When

a believer of Christ **CONFUSES** the laws of God with the life of God, the results of life will baffle them.

These types of people will love God while remaining **INCAPABLE** of paying their bills. These people will serve God while remaining **INCAPABLE** of purchasing healthcare. Following the character of God will not make you prosperous. It makes you **RIGHT WITH HIM**.

Forgiving your enemies will not make you prosperous. It makes you **RIGHT WITH GOD**. Turning the other cheek will not make you prosperous. It makes you **RIGHT WITH GOD**. Kingdom citizens should know the difference between the laws of God and the life of God.

## TEN LAWS OF GOD

- **THE LAW OF LEARNING:** (People who love to learn will succeed.) Isaiah 1:17
