

THE THREE DEADLIEST PEOPLE

By: Fountain Hendricks

(Isaiah 14:12) (Romans 1:23-24) (Acts 8:1-4)

There are many types of people on the earth. However, the people you need to be aware of are the ones who are **DEADLY**. Deadly people are not necessarily violent. However, they are extremely toxic to the growth and progress of your life. Deadly people cannot be trusted. You should not be-friend nor entertain them.

Deadly people only have one agenda. They want to **DESTROY YOUR POTENTIAL**. There are only three types of deadly people. It is imperative that you understand how to identify them in order to **AVOID** connecting with them.

DEADLY PEOPLE CAN ONLY HARM YOU WHEN
THEY ARE CLOSE TO YOU!

HERE ARE THE THREE DEADLIEST PEOPLE
YOU SHOULD NEVER CONNECT TO:

#1

THE PEOPLE WHO HAVE NOTHING TO LOSE: The people who have nothing to lose have the characteristics of Satan. The people who have nothing to lose are **TOTALLY HOPELESS.** Hopelessness is what Satan embodies.

Satan, formerly known as Lucifer, was a beautiful angel in heaven. He had everything going for him until his heart became full of pride. When his arrogance overpowered his confidence, he became hopeless. This hopelessness caused him to be deadly.

Isaiah 14:12 says, "*King of Babylon, morning star, you have **FALLEN** from heaven, even though you were as bright as the rising sun! In the past all the nations on earth bowed down before you, but now you have been cut down.*"

Lucifer became hopeless when the Almighty God rejected him. **WHEN LUCIFER BECAME HOPELESS, HE BECAME DEADLY.** People who have nothing to lose will never consider your feelings. They will never show any compassion or concern for the things that are important to you.

NOTHING good resides in people who have nothing to lose. If you do not have hope, what do you have? Nothing. When a person has nothing to live for, the only thing they can bring to you is hopelessness and destruction. When hope is gone, darkness enters.

When hope is gone, destruction enters. When hope is gone, death takes control. When people are hopeless

they become desperate. **DESPERATE PEOPLE ARE DANGEROUS!** They do not have any limitations. If you connect with someone who has nothing to lose, you will lose everything you have.

#2

THE PEOPLE WHO HAVE A REPROBATE MIND: The people who have a reprobate mind do not have a conscience. These people are void of the presence of God. God leaves people who have been induced with a reprobate mind.

Romans 1:23-24 says, *"They traded the glory of God who lives forever for the worship of idols made to look like earthly people, birds, animals and snakes. Because they did these things, **GOD LEFT THEM** and let them go their sinful way, wanting only to do evil. As a result, they became full of sexual sin, using their bodies wrongly with each other."*

When you connect with people who are **UNABLE** to feel the weight of conviction, it will be easy for them to hurt

you **WITHOUT** feeling guilty or remorseful. When God leaves a person's life, nothing good can come **FROM** that person nor **TO** that person. He is the source of everything good. When the source of everything good **REMOVES** itself from your life, what remains? Evilness.

A life that is void of God will be full of evil. When a person is full of evilness everything they do, give and say will be polluted. Remember, the devil offered Jesus the kingdoms of this world in Matthew chapter 4.

The authority the devil offered Jesus was not bad. However, the source from which it **CAME FROM** was bad. If you connect with a person who has been induced with a reprobate mind, the **ONLY** thing they will bring into your life is evilness. This will eventually destroy you. When people have no conscience about doing the right thing, how can they do right by you?

#3

THE PEOPLE WHO ARE COMMITTED TO THE

WRONG THING: The people who are **COMMITTED** to the wrong thing are deadly. They believe doing the wrong thing is the right thing. When you are committed you are **NOT** easily persuaded or influenced. When you are committed you are extremely determined to follow through on what you believe. Adolf Hitler was deadly because he was **COMMITTED** to evilness.

John Wayne Gacy was deadly because he was **COMMITTED** to killing people. People who are **COMMITTED** to what is wrong will never listen to what is right. Before the Apostle Paul preached the Gospel, he was known as Saul, the murderer of Christians. Saul was not deadly because he was a murderer. He was deadly because he was a **COMMITTED** murderer.

Remember, Moses was a murderer. However, he was **NOT** deadly. Being involved in a wrongful act does not make

you deadly. Being **COMMITTED** to doing wrongful acts makes you deadly. It took a divine intervention from Jesus in order for Saul to change his ways.

When people are committed to doing the wrong thing, they will either influence you to follow them or they will hurt you for getting in their way. It is imperative that you stay away from these three types of people. Deadly people are not easily changed nor are they influenced. Deadly people can only do one thing, **DESTROY YOUR POTENTIAL.**

Unfortunately, many people are connecting with deadly people out of ignorance. They do **NOT** understand why things are falling apart and being destroyed around them. **DEADLY PEOPLE CAN ONLY BRING DEATH!!** If you want to live an abundant life stay away from deadly people.
