

WHAT TO DO WHEN YOUR PLANS ARE INTERRUPTED

By: Fountain Hendricks

(Psalm 21:11) (Genesis 3:6)

There is a difference between failed plans and interrupted plans. Failed plans are objectives that have been fulfilled while falling **SHORT** of its intended goal. Interrupted plans are objectives that have **NOT** been fulfilled, yet derailed temporarily. For example, Adolf Hitler's plan was to achieve world domination for the Nazis. His plans were **NOT** interrupted. They failed.

Adolf Hitler did everything he wanted to do. However, he fell short of achieving his goal. In order for your plans to fail you must have the opportunity to do everything that is within the plan. Once you have implemented every element within your plan and fall short of achieving the intended goal your plan has failed. Plans that are interrupted are **NOT** desecrated. They are delayed.

WISDOM NOTE:

EVIL PLANS FAIL.

RIGHTEOUS PLANS ARE INTERRUPTED.

IT SEEMS UNFAIR

Have you ever noticed that evil plans are given more opportunity to fulfill itself than righteous plans? Think about it. Adolf Hitler was in leadership from 1934 to 1945. He had eleven years to accomplish his evil plan of world domination. Osama Bin Laden was in leadership over the terrorist group called Al-Qaida from 1988 to 2011.

He had 23 years to accomplish his evil plan. He wanted the western military forces to withdraw from the Middle East and for foreign aid to stop going to Israel.

Historically, many evil leaders have had the opportunity and an excessive amount of time to fulfill their evil plans. Fortunately, their plans did not succeed.

God **NEVER** said that evil plans will not manifest its purpose. He said they will **NOT** prosper. Psalm 21:11 says, "*They made evil plans against you, but their traps won't work.*" Evil plans are doomed to fail. Righteous plans are scheduled to be interrupted.

GOD'S PLAN WAS INTERRUPTED

In the beginning, God's plan was to establish His Kingdom on the earth. Adam was the chosen vessel to carry this mandate. God wanted Him to have dominion over the earth and every living thing on it. God wanted humanity to rule the earth while being governed by the Kingdom of God. Unfortunately, God's righteous and holy plan for humanity was **INTERRUPTED** by the serpent.

GOD'S PLAN DID NOT FAIL. IT WAS
INTERRUPTED!

When the serpent deceived Adam and Eve into disobeying the Lord in Genesis 3:6 God's divine plan was interrupted. When Adam lost the Kingdom of God, God had to **RECALIBRATE** His plan so the serpent would not maintain dominion over the earth. When God's plan was interrupted poverty, misfortune, and sin entered the world. Genesis 3:15-19 explains the misfortune God placed on humanity.

WHEN YOUR PLANS ARE INTERRUPTED,
RECALIBRATE AND MAKE NEW PLANS.

Righteous plans are **SCHEDULED** to be interrupted by the enemy but they can never be destroyed. The enemy will attempt to delay the plans of righteous people consistently because he has **NO** power to destroy what God has ordained. The enemy can only **DELAY** righteous plans. He **CANNOT** destroy righteous plans.

As the enemy continues to interrupt the plans of the righteous he is hoping that these interruptions will

frustrate and discourage righteous people from completing their plans. When the enemy interrupts your plans, **RECALIBRATE AND MAKE NEW ONES**. Adjust your methods. Develop a new timeline. Utilize some new ideas. Create some new routes but **NEVER** stop planning.

Your plans are meant to be changed. Your purpose stays the same. When Adam lost the Kingdom of God the Lord **ADJUSTED** His plan to fulfill His purpose.

He scheduled Jesus to redeem humanity from sin and death so the Kingdom of God can be re-established on the earth once again. If God's plans were interrupted your plans will be interrupted. Do not be discouraged when your plans are delayed. Be encouraged that your plans cannot be denied.
