

GOD HATES MEDIUMS

By: Fountain Hendricks

(Deuteronomy 18:9)

A medium is a person who communicates with the spirits of dead people. Mediums have the ability to **SEE** the events of your future. However, they **CANNOT** change the events of your future.

A medium is organically known as a psychic. People who are disconnected from the Holy Spirit will seek the counsel of mediums. Mediums provide factual information about a deceased person from an **ILLEGAL** source.

Information provided by mediums may **APPEAR** to emerge from a righteous place but it does not. A psychic's power comes from the demonic realm. These people are not from God. These people are not anointed by God nor do they represent Him. Mediums are children of the devil.

They access privileged information **VOID** of the Holy Spirit.

GOD HATES MEDIUMS BECAUSE THEY ARE SPIRITUAL CRIMINALS!

Mediums do not honor God's authority, system, protocol or structure. Everything done by mediums is **AGAINST** the framework of God's design. When people seek the advice of a psychic, they are **AGREEING** with the powers of darkness. Even though the seekers are not distributing the information, they are **GUILTY OF SIN** because they are the ones receiving the information. **WHOMEVER YOU SEEK FOR INFORMATION EXPOSES WHO YOU TRUST.**

HERE'S WHAT I MEAN:

- If you **SEEK INFORMATION** from demonic entities, demonic people, demonic systems or demonic literature, you trust the forces of darkness.

- If you **SEEK INFORMATION** from worldly people, a worldly system or worldly literature, you trust the things of the world.
- If you **SEEK INFORMATION** from the Holy Spirit, the Holy Bible or a holy person you trust the things of God.

PSYCHICS ARE AN ABOMINATION TO GOD

Deuteronomy 18:9

This scripture informs us that mediums are an **ABOMINATION** to God. God hates anyone who becomes a medium. In today's age the media has given particular individuals a national platform to showcase the demonic power of mediums. Do not allow the glitz and glamour of television and the exposure of illegal information to sway you **AWAY** from God.

Facts are not truth. Mediums can tell you factual information. However, they cannot speak truth. There is a huge difference between facts and truth. Facts will change with time. The truth will never change.

When you rely on mediums, sorcerers and other demonic entities, you are **DISHONORING** the system God designed to comfort you. When you dishonor God's comfort system, you will be tormented by the devil's demonic system.

WHAT IS GOD'S COMFORT SYSTEM

God's comfort system is very simple. His comfort system is centered around you **RELYING ON THE HOLY SPIRIT.**

John 14:26 says, "*But the COMFORTER, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I said unto you.*"

God sent us the Holy Spirit to reveal what is hidden. His system of insight provides clarity, understanding, peace

and joy. When you abandon the original plan of God by seeking counsel from a medium you are showing Him how much you **DO NOT** trust Him.

MEDIUMS BRING TROUBLE WITH THEM

1st Samuel 28:1-25

In 1st Samuel 28:1-25, King Saul sought the advice of a medium because the Lord was not answering his prayers. King Saul was afraid of the attack that would be launched against him by the Philistines. He wanted to know what was going to happen because he knew the Spirit of the Lord was no longer upon him. Out of desperation, King Saul sought a medium even though he **KNEW** it was wrong.

1st Samuel 28:13 says, *"King Saul asked the woman who was a medium, "What do you see?" The medium said, "I see a spirit coming up out of the ground."* Mediums can **ONLY** communicate with the dead. They **CANNOT**

communicate with the Lord. The more engaged King Saul became with the medium's insight, the more he was **TORMENTED** and **TROUBLED**. Mediums can only bring trouble to your life. They are **INCAPABLE** of bringing peace.

Mediums can see what will happen in your life. However, they **CANNOT CHANGE** it. It becomes very troubling when a medium sees danger around someone. Their ability to see danger cannot prevent the person from encountering it.

King Saul became depressed due to what was shown to him by the medium. She **ILLEGALLY** communicated with the Prophet Samuel who was deceased. The Prophet Samuel told King Saul that God had left him and became his enemy. (Reference 1st Samuel 28:16.)

The Holy Spirit is God's comfort system for a reason. Unlike a medium, the Holy Spirit can change the events of the future. It is **COMFORTING** knowing that the enemy's

plans **CAN** be destroyed by the power of God. When you rely on God's system, every demonic thing that is planned against you **CAN** be stopped.

There is a major difference between a medium and the Holy Spirit. Mediums can **SEE** the events of your future. However, they **CANNOT** change the events of your future. The Holy Spirit can also see the events of your future but He has the power to **CHANGE** the events of your future.

**GOD HATES MEDIUMS BECAUSE THEY
DISHONOR THE HOLY SPIRIT!**
