

# KINGDOM CITIZENS LIVE IN MANIFESTATION

By: Fountain Hendricks

Matthew 5:14-16

Kingdom citizens are **NOT** Christians. Kingdom citizens belong to King Jesus. Christians belong to religion. Kingdom citizens are obedient to King Jesus. Christians are obedient to the rules of Christianity.

Kingdom citizens are loyal to the Kingdom of God. Christians are loyal to their church. Kingdom citizens live in manifestation while Christians listen to empty sermons filled with idol promises.

The root word for manifestation is manifest. The term manifest is defined as being readily perceived by the eye, evident and **OBVIOUS**. It is easy to differentiate Kingdom citizens from Christians. Kingdom citizens **EXEMPLIFY** the blessings of the Lord while Christians preach about the blessing of the Lord.

Kingdom citizens walk in divine health while Christians pray for divine health. Kingdom citizens live in prosperity while Christians seek after prosperity. When people become Kingdom citizens their light shines.

## LET YOUR LIGHT SHINE

(Matthew 5:14-16)

In Revelation 1:6 King Jesus made us to be a Kings and Priests in His Kingdom. In Matthew 5:14 King Jesus said we are the light that gives light to the world. In other words Kingdom citizens are to be the manifestation of God's power. Kingdom citizens are to exhibit the goodness of God.

The world is **NOT** familiar with the power of the Kingdom. They are familiar with religion. Matthew 5:14-16 is not talking about Christians. It's highlighting the glory that resides in Kingdom citizens. The religion of Christianity does not expose the light of the Kingdom. Christianity explains the sacrifice of Jesus.

Think about this. When you turn on a light in a dark room the light influences and transcends the entire room. What had a desire to be hidden must be exposed. When light enters a room it changes the dynamics of the room. There are over one billion Christians on the earth.

If Christianity is the light that Jesus was referring to in Matthew 5:14 why is the world in the shape its in? The condition of the world has gotten worse. It hasn't gotten better. The morality of the world is deplorable. It hasn't improved.

If Christianity is the light of the world, the world should be getting better, not worse. Remember, light is powerful! Anytime you turn on the light in a darkened place the synergy **INSTANTLY** changes. Since the world is getting progressively worse it is **PROOF** that Christians **DO NOT** carry the light of God within them.

**KINGDOM CITIZENS CARRY THE LIGHT OF GOD!** The Pharisees were religious but what did they change? Who did they transform? What did they influence? Nothing. However, when Jesus walked on the earth as the King of His country what did He change?

**EVERYTHING.** Who did He transform? Whomever wanted to listen to Him. What did He influence? He influenced the world.

John 12:18 says, *"Many people went out to meet Jesus, because they had heard about this miracle. So the Pharisees said to each other, "You can see that nothing is going right for us. Look! **THE WHOLE WORLD IS FOLLOWING HIM.**"*

When you are a Kingdom citizen living the Kingdom lifestyle the **LIGHT** of the Kingdom will radiate from you.

## DO YOU LIVE AN OBVIOUS LIFE?

When Jesus walked on the earth it was **OBVIOUS** that He was not religious. It was **OBVIOUS** that He was not of the

world. It was **OBVIOUS** that He was not contaminated with the doctrine of the Pharisees. It was **OBVIOUS** that His power did not come from people.

It was **OBVIOUS** that His Wisdom did not come from religious people. It was **OBVIOUS** that His spiritual authority did not come from the devil. Do you live an **OBVIOUS** life. When people see you, do they scratch their head in confusion, wondering what is different about you?

When you see someone **MANIFESTING THE PROMISES OF GOD** you are looking at a Kingdom citizen. Kingdom citizens will never have to convince you of their affiliation to the Kingdom of God. Their lifestyle will be an **OBVIOUS** implication of that.

You will **SEE** the supernatural provision they receive. You will **SEE** how they walk in divine health. You will **SEE** how demon possessed people will submit to their authority. You will **SEE** how their finances will be protected.

Kingdom citizens live an **OBVIOUS** life so people can **SEE** the power of God. Kingdom citizens are the light of the world and that light is the manifestation of God's promises.
