

HOW TO IDENTIFY YOUR GUARDIAN ANGEL

By: Fountain Hendricks

Hebrews 1:14

Many people believe that guardian angels are in heaven. It is assumed when a love one dies they become a person's guardian angel. These notions are not true. Your guardian angel is **NOT** in heaven. They are **NOT** deceased love ones. Your guardian angel is on the earth waiting for the **RIGHT** time to serve you.

Guardian angels **DO NOT** move on their own accord. They are **SENT** by God. God sends your guardian angel when you **NEED** them the most. You may live a half of century on the earth before you see your guardian angel.

Guardian angels are **SENT** when times of distress are approaching. Everyone is **NOT** entitled to receive a

guardian angel. Guardian angels are sent to the people whom are destined to **INHERIT** salvation.

WHAT IS A GUARDIAN ANGEL?

Before I define the term, the usage of the word must be analyzed first. What is a guardian? A guardian is a person who is held **LEGALLY RESPONSIBLE** for the well being of another individual. If anything happens to the person who is under the guardian's care, the guardian will have to answer to higher authority.

An angel is a **MESSENGER** sent from God. They carry divine instructions from God to help you prosper. Angels are not sent to accommodate your life. They are sent to **CHANGE** your life.

Now that you understand the usage of both words, I can explain the definition of a guardian angel. A guardian angel is a **PERSON** who is held **LEGALLY RESPONSIBLE** for your well-being in the Kingdom of God. These people

carry divine instructions from God in their mouth. They carry the message of deliverance that **YOU** and **YOU** alone need to hear.

Guardian angels are **ASSIGNED** to **GUARD** you. **PROTECT** you. **SERVE** you. **CARE** for you. **GUIDE** you. **LEAD** you. **TEACH** you. **DELIVER** you. **HELP** you and **WATCH** over you. When you believe that your guardian angels resides in heaven you will **REJECT** whom God has sent.

Guardian angels display an uncommon loyalty towards you. Rejecting them will **NOT** discourage them from serving you. Talking down to them will **NOT** cause them to walk away from you. Guardian angels are **ASSIGNED** by God to serve you. Their commitment to God keeps them loyal to you.

MINISTERING SPIRITS

Hebrews 1:14

Hebrews 1:14 says, "*Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?*" In the greek dialect the word "ministering" means to be a **PUBLIC SERVANT**, to perform charitable functions, to **RELIEVE**, to obey and to be beneficent. The Bible declares that an angel is a public servant.

A **PUBLIC** servant is someone who is walking among you. It's someone you can hear, see and touch. Ministering spirits are angels. These people come to **RELIEVE** you from the stress and weight you are carrying.

They **ENTER** your life doing **GOOD WORKS** or causing good works to be done unto you. These people come to **SERVE** you. They are **NOT** looking to be served. Remember, everyone does not receive a guardian angel.

The only people God **SENDS** guardian angels to are the ones who will **INHERIT** salvation. In other words, the people who are **DESTINED** to go to heaven will receive supernatural angelic guardianship. The Lord will always

send your guardian angel when you are approaching a season of **DISTRESS**.

THINK ABOUT IT!

Two angels came to visit Lot in Sodom and Gomorrah according to Genesis 19:1. They wanted him to leave the city so God could burn it down. The angels were **SENT** to Lot before he entered his season of distress. An angel was sent to Jesus to strengthen Him in His moment of weakness.

When Jesus was in the garden of Gethsemane He was feeling the agony and mental stress of dying on the cross according to Luke 22:41-43. The angel of the Lord was **SENT** to Jesus to strengthen Him before He entered His season of distress.

Guardian angels are **NOT** waiting on you to acknowledge them. They are waiting for your season of distress.

Guardian angels save you in times of distress so you won't die under the umbrella of stress.
