

GOD IS WAITING ON YOU!

By: Fountain Hendricks

Proverbs 15:3

Closed mouths won't get fed. Closed minds will not learn anything new. People who are void of faith will not receive miracles. Complacent people will not progress. Lazy people will not succeed. God will not speak if you are busy talking. What am I saying? God is waiting on **YOU**.

When **YOU** align yourself with God's will His blessings will chase you. When you **POSITION YOURSELF** to win He will empower you to be victorious. When **YOU EQUIP YOURSELF** with knowledge He will cause people to favor you.

When **YOU** save your money He will reveal an opportunity for you to increase. When **YOU** obey God's commands He will release His blessings.

GET STARTED

Unfortunately, it is hard for people to apply the concepts mentioned above. Religion has convinced many people to sit idle, believing that God is going to bless them. This idea has robbed many people of their purpose, happiness and dreams. God has never encouraged anyone to sit idle. All throughout the Bible the Lord has given people instructions to follow so they could **ACTIVATE** His plan.

Remember this Kingdom principle:

WHAT YOU DO FIRST WILL DETERMINE WHAT
GOD DOES SECOND!

GOD IS CONSISTENT

From Genesis to Revelation God **REACTS** to people's actions. If people do righteous works He blesses them. If

people do evil works He punishes them. If people do nothing they will not receive anything. Here's what I mean.

- **BEFORE** God blessed Abram with fame and countless descendants he had to leave his country and everything that was familiar to him. Genesis 12:1-3
- **BEFORE** God gave Solomon unlimited and infinite wisdom he sowed a thousand burnt offerings.
1st Kings 3:4-14
- **BEFORE** God exalted Joseph to be second in command over Egypt he had to accurately interpret Pharaoh's dream. Genesis 41:1-36
- **BEFORE** God could give Job a double portion of what he lost he had to change his heart and repent. Job 42:4-6

There's a commonality amongst all of these examples. These people had to **DO** something **FIRST** in order for

God to release what was in His hand. Unfortunately, many people waste countless years of their lives because they do not understand what you do first will determine what God does second.

WHAT ARE YOU LOOKING FOR GOD TO DO?

What are you looking for God to bless? What are you looking for God to increase? What are you looking for God to breathe on? You know what it is. However, God is **WAITING ON YOU** to make the **FIRST** move.

For example, if you want the Lord to bless your marriage, give him something to bless. **START** praying **WITH** and **FOR** your spouse. **START** studying the Bible **TOGETHER**. **START** involving God in the decisions you are making as a couple.

If you do this the Lord will bless your marriage because you took the **INITIATIVE** to pursue Him. Learn to make

the first move and watch God **REACT** to what you do. Proverbs 15:3 says, "*the EYES of the Lord are in every place, beholding the evil and the good.*" God is watching everything and everyone.

He **WATCHES** to see who is moving so He can react. He **WATCHES** to see who is doing what is right so He can bless them. He **WATCHES** to see who is praying so He can speak to them. He **WATCHES** to see who is evil so He can destroy them. He **WATCHES** to see who is foolish so He can bring them to ruin.

GOD IS WATCHING YOU WHILE HE IS WAITING
ON YOU!

MAKE THE FIRST MOVE.
