## DAY 20

### SUBJECT: THE ART OF HUSTLING

I am proud to say that I am a hustler. I will do what is necessary to achieve the maximum results. I will push myself to the limit. I am the type of person who will **NOT** allow anyone to outwork me.

There is an **ART** to hustling. Anyone can hustle. However, everyone can't do it consistently. When you learn the art of hustling you will be able to do it consistently **WITHOUT** getting tired. The art of hustling is painted on the canvas of **ORGANIZATION**.

It is easy to hustle day and night when your affairs are organized. If you are trying to gain the advantage over everyone else **ORGANIZE** everything in your life. If you are trying to attain more than everyone else organize **EVERYTHING** in your life.

As you organize your life the picture you are painting will be beautiful. You will be able to tackle more task, take on more jobs, build more businesses and take advantage of more opportunities.

Hustlers go after **EVERYTHING** because they have learned how to find a place for everything. Hustlers become leaders. Hustlers make a profit. People who need employment ask the hustlers for an opportunity.

Proverbs 12:24 says, "*Hard workers will become leaders, but those who are lazy will be slaves.*"

**TAKEAWAY:** The more you **ORGANIZE** your life the **EASIER** it will be for you to hustle everyday and all day!
