

WISDOM JOURNAL

DAY 24

SUBJECT: BEING ALONE!

I'm a people person. I am very outgoing. I love having stimulating conversations. I love telling jokes and having fun. However, I enjoy **BEING ALONE**. I'm not an advocate for loneliness. I advocate being alone. There is a huge difference between the two.

In my alone time I can clear my head of all **DISTRACTIONS**. I can **FOCUS** on the words of the Holy Spirit. I can make **STRATEGIC** plans that will help me progress toward my next endeavor. In my alone time is where my vision becomes **CLEAR**.

I can spend hours by myself and it doesn't bother me. I believe that is the problem with many people today. They are busy being busy. How can you think of your next big idea in the midst of a crowd? How can you analyze your position in life when people are constantly weighing you

down with their problems? How can you count up the cost before you build if you are busy doing what is unnecessary?

YOU CAN'T! King Jesus understood this. There were moments when King Jesus went away from everyone to be alone. He valued this time.

He was **STRENGTHENED** during this time. He was **ENERGIZED** during this time. He became a man of great **PURPOSE** during this time. Don't rob yourself of this treasure by keeping yourself busy all the time.

Luke 6:12-13 says, *"One of those days Jesus went out to a mountainside to pray, and spent the night praying to God. When morning came, he called his disciples to him and chose twelve of them, whom he also designated apostles."*

TAKEAWAY: Make some time to be alone. When you decide to be alone you will attain the clarity and direction that will help you make better decisions.
