

WISDOM JOURNAL

DAY 39

SUBJECT: DON'T TRUST YOUR CIRCUMSTANCES

I've been in circumstances that convinced me that I wasn't going to make it. I've been in circumstances that convinced me it was over. However, I'm still here. I've learned that circumstances does not decide your destiny.

Your circumstances are the situations that causes you to believe what you **SEE** around you. What you see around you will not impact the purpose God appointed within you. I know it's hard not to trust your circumstances. I've been there. In some cases, I'm still there.

However, your circumstances are only mere **ILLUSIONS** of what is real. The 23rd Psalms says it best. Psalms 23:4 says, *"yea, though I walk through the valley of the **SHADOW** of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."* Your circumstances are only a **SHADOW** of what is real.

It appears to be real but it's not real. Your circumstances could change with one word from God. It could change with a burst of favor. It could change with one prophetic instruction. The only thing that is real is the **PURPOSE** over your life.

Circumstances will change. Your purpose will **NEVER** change. Circumstances will come and go. However, your purpose will stay forever. Remember, the only thing that is real is what will never change and that is your purpose.

TAKEAWAY: Don't trust your circumstances. **TRUST YOUR PURPOSE.** If you believe your circumstances you will doubt your purpose.
