

WISDOM JOURNAL

DAY 44

SUBJECT: PROUD WORDS

I've seen smart people **RUIN** good opportunities because they consistently spoke proud words. I've seen educated people go through **HARD** times because they consistently spoke proud words. I've seen wealthy people turn **BROKE** because they consistently spoke proud words.

God punishes people who speak proud words. I have been guilty of speaking proud words. I've **LOST** friends, relationships, opportunities and favor speaking proud words of **IN-GRATITUDE, UN-THANKFULNESS, ARROGANCE** and **DISRESPECT**.

God watches **EVERY** word you say. He monitors **EVERY** word you say. He hears **EVERY** word you say. People talk their way of a blessing because they forget to honor the one who blessed them. People talk their way out of favor

because they forget the one who gave them favor. People create unnecessary hardships for themselves because they do not guard their tongue. **GOD PUNISHES PEOPLE WHO SPEAK PROUD WORDS.**

Proverbs 14:3 says, "Fools will be punished for their proud words, but the words of the wise will protect them."

When you speak words with the stench of arrogance you are headed for a fall. When you say words with the tone of **DISRESPECT** you are guaranteed to receive a **LOST**. When you speak words of **IN-GRATITUDE** you are disqualifying yourself from receiving more.

When you speak words of **UN-THANKFULNESS**, goodness will not come to you. Speaking proud words will be punished. God doesn't lie.

TAKEAWAY: In **ALL** things, be **HUMBLE**! Humble words are worthy of promotion. Proud words are worthy of

punishment. You can protect your life by watching your words.
