## DAY 45

### SUBJECT: MY GREATEST DISCOVERY

I've discovered my spiritual gifts. I've discovered my purpose. I've discovered my passion. I've discovered my talents. I've discovered my calling. I've discovered my destiny. With all the things I've discovered none of these things can compare to my greatest discovery.

My greatest discovery was the **KINGDOM OF GOD**.

When I discovered the Kingdom of God I discovered my purpose, prosperity, destiny, passion and most importantly the truth about God. The Kingdom of God is the **HIDDEN TREASURE** God speaks about in the Bible.

I grew up in church. I always felt that I was missing something but I didn't know what it was. I listened to the sermons. I followed the traditions of the church. I sat in the pews and I still felt discontented. I was reading the Bible routinely and still felt lost.

I finally came to the understanding that what I was looking for was **NOT** in church. I asked God to help me find what I was looking for. I came across a Youtube video of a preacher named Dr. Myles Munroe. He was teaching a series on the Kingdom of God.

The words he said opened my mind to a new world. He made the Bible simple from Genesis to Revelation. That was the day I **DISCOVERED** the difference between Christianity and the Kingdom of God. When I discovered the Kingdom of God everything began to make sense to me.

God became **REAL** to me. Life became **SIMPLE**. My purpose became **CLEAR**. Everything I wanted was in the Kingdom of God. Everything I was chasing in the world was locked in the Kingdom of God. When I **DISCOVERED** that the Kingdom of God was **WITHIN ME** I stopped chasing what was in the world.

Luke 17:20-21 says, *"And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation: Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is **WITHIN YOU.**"*

**TAKEAWAY:** Whatever you are looking for is in the Kingdom of God. Christianity is **NOT** the answer!
