

FAITH IS A BRIDGE

By: Fountain Hendricks

2nd Corinthians 5:7

A bridge is a structure spanning and providing passage. The purpose of a bridge is to get you from one place to the other. This is the simplest way to understand the definition of faith. **FAITH IS A BRIDGE!**

It takes you from the natural to the supernatural. It takes you from being hopeless to being hopeful. It takes you from worrying to believing. Many people complicate the concept of faith to sound important.

However, the Lord never intended for the concept of faith to be complicated. He wants the understanding of faith to be made **SIMPLE**. Accepting the truth that faith is a bridge will significantly transform your mind. **APPLYING** this truth will change your life forever.

WALK BY FAITH

People who walk by faith transitions from worry to peace, poor to wealthy, sick to healed, cursed to favored and so much more. Walking by faith is difficult to do because it forces you to **TRANSITION** from a position of comfort to an unfamiliar place.

Unfortunately, many people have a hard time walking by faith. They would rather stick with the devil **THEY KNOW** instead of the God they haven't seen. For example, some people prefer to work a dead end job working under an evil leader because they're comfortable with the situation.

These same people complain about their boss while dealing with the abuse because they've learned to tolerate the enemy rather than defeat him. **WHEN YOU WALK BY FAITH YOU DEFEAT THE ENEMY.** When you walk away from what is comfortable toward what is unfamiliar you are defeating the enemy.

When you walk away from what you can see to what you cannot see you are defeating the enemy. When you walk away from your plans to embrace your divine purpose you are defeating the enemy. This is why faith is a bridge.

Faith connects you from **ONE REALITY TO ANOTHER REALITY** if you are willing to be led by it.

Walking by faith is easier said than done. The spirit of fear prevents us from walking in faith. The spirit of fear speaks **WORDS** of discouragement, hopelessness and worry to keep you from walking across the bridge of faith.

Unfortunately, the spirit of fear has defeated many people.

HERE'S WHAT I MEAN:

- If you've remained **STAGNANT** in-spite of the Holy Spirit encouraging you to move forward the spirit of fear has defeated you.

- If you've remained **COMPLACENT** in spite of God commanding you to attain more the spirit of fear has defeated you.
- If you've played it **SAFE** in spite of the Holy Spirit instructing you to take a risk the spirit of fear has defeated you.

DO NOT WALK BY SIGHT

Your sight is **NOT** your vision. Your vision is what God **WANTS YOU** to see. Your sight is what you **CHOOSE** to see. We are commanded **NOT** to walk by sight. 2nd Corinthians 5:7 says, "*for we walk by faith, not by sight.*"

Most times, people see obstacles, challenges, circumstances, problems and everything negative. You will never walk across the bridge of faith if you focus on what you see. People who walk across the bridge of faith **BELIEVE WHAT THEY HEAR**. They do not allow the

negativity of their eyes to distract them from the divine words they heard.

People who walk by faith may see an illness. However, they believe they're healed by speaking words of encouragement and participating in activities that gives them energy, hope and inspiration.

People who walk by faith may see poverty. However, they carry themselves like they're rich. They articulate themselves like they came from an affluent background and they read books to enhance their mentality.

Do you have the courage to believe what you hear and ignore what you see? Do you have the courage to exit your current reality and enter your new reality? **YOU HAVE THE POWER TO CHANGE YOUR LIFE** if you can find the courage to cross the bridge of faith. The choice is yours!
