

WISDOM JOURNAL

DAY 61

SUBJECT: THE MOST VALUABLE THING ON THE EARTH.

It took me thirty four years to discover the most valuable thing on the earth. During different stages of my life what I considered to be valuable has changed. I thought money was the most valuable thing on the earth because it answers all things. I was wrong.

I thought being in great health was the most valuable thing on the earth because great health is the catalyst for our mobility. I was wrong. I even thought having a relationship with God was the most valuable thing on the earth. I was wrong.

All of the things I mentioned above are important but it is not the most valuable. Importance is **NOT** the same as value. Importance deals with priority. However, **VALUE** constitutes trade. What is important to me may not be

important to you. Value succeeds importance because you cannot leverage what is important. However, you can **LEVERAGE WHAT IS VALUABLE.**

The most valuable thing on the earth has not been discovered by a multitude of people. The most valuable thing on the earth will enable you to receive **EVERYTHING** you need and want! I literally mean everything.

The most valuable thing on the earth are **GOD'S KINGDOM LAWS.** The laws of the Kingdom of God grants you access to receive everything you need and want. These laws give you the leverage to receive everything tangible and intangible.

If you are willing to learn these laws you will be able to attract anything you need and want. There are millions of laws but here are a few examples.

- If you need friends **LEVERAGE PROVERBS 17:9**.
Whoever forgives a person's sins makes a friend.
- If you need to receive love and trust from people **LEVERAGE PROVERBS 14:22**. The people that plan to do good things will be loved and trusted.
- If you need to receive divine opportunities **LEVERAGE MALACHI 3:10-11**. When you pay your tithes God will open the windows of heaven and rebuke the devourer for your sake.

EVERYTHING YOU NEED IS IN THE KINGDOM OF GOD AND IT'S LAWS

TAKEAWAY: When Kingdom laws become your most valuable asset you will have the access and opportunity to receive **EVERYTHING** you need and want. Inventory your value!
