

WISDOM JOURNAL

DAY 65

SUBJECT: MANIFESTING VISION

God commands us to have a vision. However, very few people understand how to manifest their vision. I finished building the Wisdom Store in 2015. However, the vision came to my mind in 2013. When the idea came to me I did not know where to start or how to start.

Everything was a blur. Along the journey of manifestation I made many mistakes. Manifesting my vision was not about passion. It had little to do with hard work.

Manifesting my vision **REQUIRED** one thing...

DISCIPLINE! I became a slave to my vision.

The vision ruled me. The vision dictated my day, determined my sleeping hours and decided my eating habits. I was the servant and the vision was my master. I know how this sounds but it is not as bad as it sounds. In

that moment I **NEEDED** my vision to be my master to produce manifestation.

In other words, I was **OBSESSED** with my vision. I thought about it daily. I talked about it all the time. I was constantly thinking of new ideas and subjects to write about.

My vision dominated my mind. You may be thinking, isn't there another way to manifest my vision. Maybe. However, this is the most **EFFECTIVE** way.

YOU WILL MANIFEST WHAT YOU HAVE AN OBSESSION FOR.

- Michael Jordan's (the basketball player) obsession with winning made him a champion.
- Michel Jackson's (the king of pop) obsession with becoming the greatest entertainer made him a legend.

- Steve Job's ([Apple's Visionary](#)) obsession with making a difference in the world caused him to be recognized as one of the most significant figures in our lifetime.

If you want to manifest your vision you must become **DEAD** to your emotions. Manifesting your vision needs to become more important than following the pleasure of your feelings.

King Jesus said it best in Luke 22:42. Luke 22:42 says, *"Father, if you are willing, take this cup from me; yet not my will, but yours be done."* King Jesus prioritized His Father's agenda over His personal feelings. King Jesus taught us that being **DISCIPLINED** to our vision is the secret to manifestation.

TAKEAWAY: When you prioritize your vision **OVER** your personal feelings you will see your vision manifest.
