Please look into Mr. William (Bill) Ramsey as a very strong person of interest in the JonBenet Ramsey Case. Prior to this child's death, Mr. Bill Ramsey bragged about collecting his \$118,000.00 inheritance from his father in Colorado. He drove a BLACK Ford Ranger pick-up truck, NJ. license plate. He had a Tazer stun gun and new HiTEC brand hiking boots.

After the murder, Bill Ramsey painted his truck RED. He changed his full name at least (5) times over the years. He repeatedly moves every few months, but within Stafford TWP., Manahawkin, NJ. I have included (45) typed pages of information [also found on www.jonbenetstruecasehistory.com under the FREE link "THE BOOK"] about William (Bill) Ramsey and his mug shot which was taken in Ocean County, NJ for assault.

**Bill can be arrested for FRAUD because of the multiple name changes. This would open the door to gathering his DNA and Left Palm Print. I hope to hear from you soon.
