NEWSLETTER INFORMATION

This is a special statement to the groups of our church: If you are not bringing your news articles or announcements to the office for publication in the newsletter, the people of the congregation will not know what is going on within our church or your group.

Does your group have someone to thank for their hard work, does your group have an activity, or a start time for an event, don't assume the Sunday bulletin is enough to reach people. The Newsletter goes out to all our members and associate members.

Plan ahead and get me some information. This newsletter is a tool that will help your group grow!!

Thank you,
Laura J. Krogwold, Northland Church
Secretary
