NEWSLETTER INFORMATION

This is a special statement to the groups of our church: It is very important you or your group bring newsletter articles or announcements to the office for publication on time. This is how we all communicate with the people of the congregation. With no news, members will not know what is going on within our church or your group.

Does your group have someone to thank for their hard work, does your group have an activity, or a start time for an event, don't assume the Sunday bulletin is enough to reach people. The Newsletter goes out to all our members and associate members.

Plan ahead and get me some information. [This newsletter is a tool that will help your group grow!!](#)

Thank you,

Laura J. Krogwold, Northland Church Secretary

A LETTER FROM THE EDITOR

This year's Lutefisk Supper is quickly approaching. This whole meal is not possible without our volunteers from our congregation and some non-members that help. I get life is busy and there is about a million other things you would rather do on a Saturday than volunteer at church. I am a mom, wife, employee, school board volunteer, caretaker and my list can go on and on and on. I understand that there are sporting events and "me time" that needs to happen. However, I also realized that the past members of this church have given us young people a gift. You may not like Lutefisk, but there are hundreds of people that drive hundreds of miles once a year to come eat the stuff!! Not to mention they watch all of the hard workers, working so hard to put the food on their tables, especially the youngsters. Is there not a way we can gather together for one event a year? If not what will happen to our church? A place where our grandparents, parents and hopefully your grandchildren can attend?

This is a vital fundraiser for our church. Yes, the numbers may be down but, it is still money we greatly

need to keep our doors open. Please do what you can to make time and volunteer for the Lutefisk Supper.

Thank you for thinking.

Laura J. Krogwold, Editor

NORWEGIAN LUTEFISK SUPPER

Saturday, October 19th is the date of this year's 102nd Annual Norwegian Lutefisk Supper. Bill Hahn, Diane Erickson and Carl Thompson are the co-chair people of the event. In order to continue with a successful supper it is again necessary to have willing participation from all church members (and some who are not members). If you have questions regarding your job or are unable to work or bring your assigned items please contact your department chairperson.

ATTENTION BAKERS

The "Norwegian Lutefisk Supper" is rapidly approaching and now is the time to start preparing for it. Please plan on making extra baked goods for the sales room. Last year the sales room brought in \$3481.00. We could have made more money but we didn't have enough to sell. We are looking for Rosettes (these sell out first), Fattigmann, Krumkakes and Sandbakkles. The Norwegian pastries is what the people are looking for. Another great seller are pies and Norwegian Donuts. If you have questions please contact Laura Krogwold at 715-412-0799.

We will be receiving baked goods on Friday, October 18th and the morning of the supper.

FRIDAY, OCTOBER 18th PREPERATION

Volunteers will be needed to prepare for the day of the Supper. We will start on Friday, October 18th at 9:00 AM. Bring a lunch. Please join the group if you can, we need the help.
