

## OK-AIMH MEMBERSHIP

- Gives you access to the weekly OK-AIMH Monday Memo highlighting the latest research, local and national level training, and resources for professionals working in the field of infant mental health.
- Provides opportunities to connect with others working with babies, toddlers and families.
- Assures a voice for babies, toddlers and their families in Oklahoma

*“It may be most helpful to define the Infant Mental Health Specialist not as a member of a particular discipline, but rather as someone with a distinct set of core beliefs, skills, training experiences and clinical strategies who incorporates a comprehensive, intensive and relationship-based approach to working with young children and families.” from The Infant Mental Health Specialist, Weatherston (2000).*

### Who We Are

The Oklahoma Association for Infant Mental Health was founded in November 1991 and is an affiliate of the World Association for Infant Mental Health (WAIMH). We provide state leadership identifying and promoting the development of a qualified workforce to support the emotional development of infants, toddlers and families.

### Our Mission

To promote the mental well-being and healthy development of Oklahoma’s infants and young children through multi-disciplinary collaboration, education, workforce development, and advocacy for best practices.

### Our Goals

- To promote awareness of the importance of infant and early childhood mental health.
- To enhance the capacity of the infant and early childhood mental health workforce to support infants, toddlers, and their families in best-practice ways.
- To provide an interdisciplinary organization that encourages cooperation and collaboration with other groups, agencies, and individuals that serve infants, toddlers and families.
