Council 7970

April 2019

Brothers,

The pancake breakfast is fast approaching. Please contact John Barnes and let him know how you would like to help.

The May meetings will have to be rescheduled due to a conflict with Confirmation and First Holy Communion at St. Julie's. I am thinking we will delay one week and have the officers meeting on the 7th and the business meeting on the 9th.

As we near the end of the fraternal year our council will be looking individual who would like to fill our officer positions. Any member who is currently a 3rd degree Knight is eligible for officer positions. If you are currently an officer and are willing to continue in the position you have or would like to accept a nomination for another position, please let us know. We will be accepting nominations in May and June and voting at the June meeting. Installation will be in July. A date needs to be determined as the first Tuesday in July is Independence Day.

Hooked on Fishing Is Back!

The month of May begins the return of our favorite Council program – Hooked on Fishing – Not on Drugs. Brother Dale Kramer has arranged two dates with St. Peter School to begin the 2019 season. If you want to have some real fun in a program that not only helps you but really helps a child learn the sport of fishing and the fun that goes with it. NO Experience Necessary! The event is held at South Central Park starting on May 8th with the Kindergarten and 8th Graders. May 15th will be the 3rd and 6th graders. Starting time is usually near 9:30am and goes to 10:30am. Come on and join us.

Palm Sunday Breakfast

Pancakes and more are being served at our annual Palm Sunday Breakfast on April 14th. Brother John Barnes is looking for help of all kinds. We will be setting up tables, cooking pancakes and sausage and also serving. Afterwards we need help folding tables, chairs and cleaning up. If you can help please let John know email: jbarnes@mussun.com

Email Policy

The Council email network must remain secure. **We are currently getting a lot of “junk” mail in our “In Box.”** Some of the subject matter could be considered of obscene nature. How does this happen. When an email is sent out via our list with a request to reply, some send their replies back to the “Sender” instead of the person making the request. When this happens sometimes the Replier has imbedded in his email a bug/virus that sends “Junk”. Thus our email list is then hit with the bug/virus and becomes rather difficult to remove. Because we have been hit with the bug/virus we then begin to send the same bug/virus out on outgoing mails.

The kofc7970@msn.com is **not** for “Reply” to mail that has been distributed to the membership. Please **only reply to the person making the request using their email address on the “To” line.** His address should be in the body of the letter or his phone number. Let’s make an attempt to keep our list clean so all members are not affected by Junk they do not want.

Measure-Up Campaign

The month of May begins our Annual Measure-Up campaign to solicit donations for the Handicapped Mentally challenged people in our community. Donations are sent to Lucy Idol Home in Lorain County. This has always been a wonderful fund raiser for our Council and I look forward to working with all of you to continue our success this year. Watch your email for updates so you too can help.

Monthly Luncheon

Having a great lunch at **Black River Tavern**. Food & friendship was outstanding!
