### Faithful Navigator's Column

Sir Knights

This last month, I along with other Brother Knights and Sir Knights were present at many funerals. It was a sobering time for me primarily because of Lady Andrea's condition and caused me to do much more praying and thinking about the future, It is not just the immediate families that suffer during a loss of a loved one but also the many people they have touched with their lives. We miss our Brothers and I would ask that when praying for them also ask them to pray for us and the success of our work here on earth.

There is much to be done and few of us to do it. The Fall Exemplification is October 27th and coming; I have been receiving a number of reminders from Supreme that we need to work at finding more men to join us and become 4th Degree members in our order. This year our quota is 9 new recruits. The Spring exemplification will be April 27th - so if your candidate can't go in October there is always April and as most of you know - that one is one we all enjoy attending.

Another reason for prayer to our deceased Brothers for their assistance.

Vivat' Jesus

Bill Daw, FN
