Louisiana-Pacific (LP) Inner-Seal Siding Warranty Questionnaire

Dear Property Owner:

Thank you for contacting us concerning the siding on your home. We have opened a file in response to your inquiry.

Enclosed is the LP Inner-Seal Warranty Questionnaire. This packet also includes a copy of the "Summary of LP Inner-Seal Siding Limited Express Warranties (1985-1995)" and "How to Identify Louisiana-Pacific Inner-Seal Siding." These documents will assist you in identifying the product on your home and determining if you have an issue that is covered by the warranty.

You may file an Inner-Seal Siding warranty claim if:

1. The siding on your home was installed prior to January 1, 1996; and
2. You are the current owner of a structure on which LP Inner-Seal Siding is installed; and
3. The siding **must** be on the structure and available to inspect by a third-party inspector. If the siding has been removed, replaced, or covered up by other siding, it is not available for inspection and therefore ineligible for warranty coverage; and
4. The siding is "A-Grade" board.

Please read the Warranty Questionnaire completely before you begin to answer any questions. Please type or print all responses in ink. If you have any questions regarding this packet, please contact LP Warranty Services at 1-877-677-6722.

When you have finished, please mail the completed Questionnaire and required attachments to:

Sincerely,
