With winter in full swing it is time to re-cap the events from this past spring and summer. This spring we were in Yankton for the state indoor hosted by Minnehaha Archers. The annual board meeting was held on Friday evening and the annual general membership meeting was held on Saturday. A couple of things that were covered in the meetings, were the results of the young archers that submitted their essay answers for a chance to receive a check for reimbursement from attending an out of state NFAA tournament. I have been lucky enough to be able to get to read through these essays from the young archers each year and can say we have some great youth involved with archery. Congratulations to all of you on a job well done. During the board meeting we discussed way to improve the way the money is distributed to those applying for the reimbursement money and will be breaking it into a couple of age divisions since the younger ones struggled writing an essay that compared to the older youth submissions. It was decided that we would be offering money in two age divisions. We are working on the essay questions and will hopefully have them completed soon; we will send out on email and post on the website. The board also discussed plans for the 65th anniversary which South Dakota Archers will be celebrating in 2019. It was decided we will be having a member appreciation supper and entertainment on Saturday evening after the general membership meeting. This event will be free to all South Dakota Archers Association members and family. Any of you that attended the 60th anniversary supper and entertainment would all agree the food and entertainment was great. We are getting some final details worked out on the entertainment and can say it will be another memorable event. I am sure Kathy will want everyone to RSVP for the supper so we can plan for the amount of food needed. I will cover that more at a later date.

The state 3D was hosted by Northern Hills Archers in Deadwood the middle of July and as always everyone had a great time, even the weather proved to give everyone a little variety with Saturday being warm and sunny and Sunday starting out with fog and light mist.

In August we finished off the state shoots for the year in Aberdeen for the field event hosted by the Whitetail Bowmen. It is always nice to go to their range and see everyone and check out all of the improvements the club members have been doing since the last time we were there. Those of you that have had to help work on a field range know how much work is involved in general maintenance not to mention any improvements.

At the event in Aberdeen we announced the State locations for 2019, The State indoor will be in Yankton on March 30, 31. The state 3D will be in Mitchell, and the state field will be in Sioux Falls with dates for both of these events to be announced later.

This fall there were several members that were fortunate enough to harvest some great animals, I encourage you to get them measured and the form for the big buck contest sent into Kathy. Categories for the big buck contest are antelope, white tail deer and mule deer.

A reminder to everyone to get your bids in for the 2020 state events. The indoor bid had a January 1st deadline and the 3D and field bids are due by June 30th each year. If you have any questions about the requirements to submit a bid for any of these events please contact one of us on the board and we will gladly answer your questions.
