

Southeast Visual Ensemble

Dear _____,

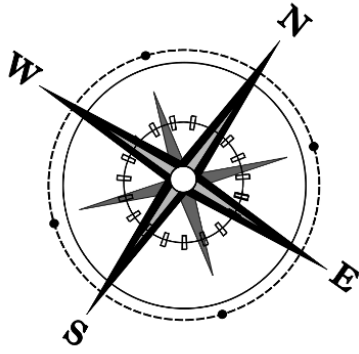

I have been accepted for membership in Southeast Visual Ensemble, based in Anniston, Alabama. Certainly it is an honor to be a part of this pageantry group, as many youth auditioned for positions in this competitive performing ensemble. I am working extremely hard to become an ambassador for our community as a member of this prestigious performance ensemble. The color guard is composed of young men and women between the ages of 14 and 22. The color guard is a member of the Southeastern Color Guard Circuit and Winter Guard International .

Young people like myself need an opportunity to further our growth and education in the performing arts. Southeast Visual Ensemble seeks to offer us an opportunity to participate in a performance activity of the highest competitive caliber through the art of pageantry. Southeast Visual Ensemble will perform and compete this winter against other indoor color guards from around the world. The hours are long and the rehearsals are demanding, but the payoff is increased by the skill level I will achieve and the standing ovations lauded by many of the spectators.

A season in Southeast Visual Ensemble will cost each member approximately \$1200.00 in fees. These fees cover instruction, travel, housing, uniforms, and equipment. The cost is a large amount for a young person to bear alone. This is where you can make a difference by offering your financial support. All of the money you contribute goes directly to sponsor me and to offset my membership fees. In order to ensure maximum benefit to me, please send your sponsorship form as soon as possible. Thank you for your consideration!

Sincerely,

Current Member of Southeast Visual Ensemble
